Stéphanie Leblanc's Summary

Stephanie joined PwC 15 years ago and has been working her way up the ladder since then. She is recognized as Associate Partner within Transactions Advisory Services in Montreal.

Over the years, she has developed an expertise in crisis management, corporate strategy, restructuring, deals and insolvency. She has to work mostly with executives, directors and members of the board, private equity managing team members and debtors.

In September 2007, she has launched a new business-oriented magazine targeted at women in leadership in the Montreal business community. This reliable and informative magazine focused on a different industry for each issue: Environment, Finance, Health industry... It features successful and inspiring women and is a relevant tool for networking. Its readership is over 10 000 business men and business women in Montreal
